Instructions for completing the End-User/End-Use Form

- Item 1 **RFQ or PO No.:** List all request for quotation and purchase order number pertaining to this certificate.
- Item 2 **RFQ or PO Date:** List all request for quotation and purchase order dates pertaining to this certificate.
- Item 3 **Qty/Model number(s):** List the products purchased from the U.S. Company (L-3 Narda-ATM).
- Item 4 **Purchased Items:** Identify the products purchased from the U.S. Company (L-3 Narda-ATM).
- Item 5 **Purchaser:** Identify the party purchasing the products from the U.S. Company (L-3 Narda-ATM).
- Item 6 **Foreign End User:** Enter the complete name and address of the foreign end user(s). The end user is the entity that will take final possession of the commodity, regardless of foreign purchaser(s) and foreign intermediate consignee(s). **Note:** Must show complete name and address, P.O. Boxes or imprecise addresses may result in delays in processing.
- Item 7 **Foreign Intermediate Consignee:** List all parties who will receive the goods for onward movement to the ultimate consignee/end user. If there is no foreign intermediate consignee, list "none". There may be one or more foreign intermediate parties involved in the transaction (for ex.: freight forwarders, customs broker, agents or representatives). **Note:** Must show complete name and address, P.O. Boxes or imprecise addresses may result in delays in processing. Use additional sheet to list all parties involved, if necessary.
- Item 8 **Foreign Ultimate Consignee:** The foreign purchaser who will receive the shipment for storage, modification, or for incorporation into another end-item and for subsequent forwarding to the foreign end user. **Note:** Must show complete name and address, P.O. Boxes or imprecise addresses may result in delays in processing.
- Note: An ultimate Consignee may also be the actual foreign end user if they are consuming the product.*
- Item 9 **Specific end use application:** Please check appropriate boxes.
- Item 10 **Specific Purpose and program for which the material is required:** Provide the specific purpose of the requested export. Simply stating, "for use in production of military aircraft" or "for resale" is inadequate. A few examples of a specific detail are:
"For production of the AB/CDE-100 Ground-penetrating radar (GPR). The radar will be used probe the subsurface volcanic, icy and arid terrains by the NISA project JLL-12345 in the Jet Land Laboratory";
or "For test and evaluation for use on the TR amplifier, in support of NATO Contract N56789"
"Items will be integrated into a communication satellite earth station program: The unit is to be integrated by DEF Company in its earth station TACT123. The TACT123 is a Satellite communication earth station that to it is used within the German Interactive Program.
- Item 11 **Certification for Statement of Ultimate Consignee and Purchaser:** Company Name, officer name, signature and date of end user or duly authorized representative who can provide the required certifications.
